Odinaka Afocha

Software Engineer | Cloud Solution Architect | Test Analyst | AWS certified | ISTQB certified
Lagos State, Nigeria

Summary

Odinaka is a versatile and experienced developer with a proven track record of delivering high-quality software solutions. He is fluent in both Javascript, PHP and C# and have extensive experience with .NET Core, Laravel and NestJS for backend development, as well as ReactJS and NextJS for frontend solutions.

What sets him apart from other engineers is his ability to think critically and come up with innovative solutions to complex problems. He is a proactive learner, always seeking to expand his skillset and stay up-to-date with the latest technologies and trends. He is a team player and have a strong ability to communicate effectively with both technical and non-technical stakeholders.

He is excited to bring his skills and experience to a new opportunity, and he is always open to discussing how he can help your organization achieve its goals.
